

QUANTITATIVE

Hyperspectral Acquisition and Control (HAC) Software Licence Agreement Registration Detail Sheet

IMPORTANT PLEASE NOTE

This form constitutes a legally binding agreement. The details entered on this form will be the person registered as using the software and legally responsible and liable for upholding this licence agreement. The software will need to be installed on a computer that has online access for verification, installation and updates to work. The information given here will be the information used to give the user access to the software and therefore only official details should be entered or you will not have access. The individuals' mobile number is also required if any SMS verification codes are used. Should the person using this software change, a new software agreement should be completed by the individual and sent to us at mg@quantitative.net.au so we can update our records.
